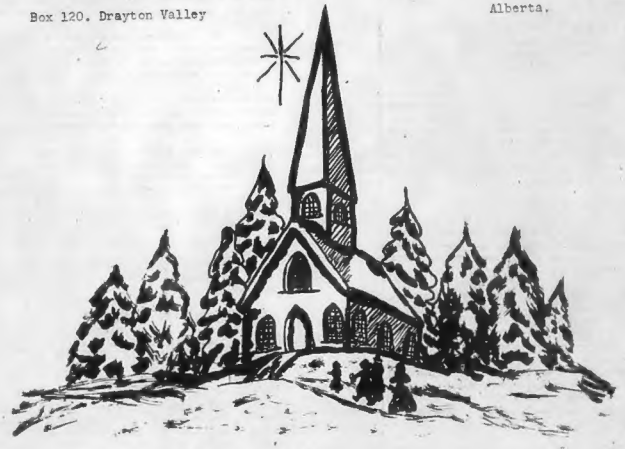
Pembina News Advertiser

CHRISTMAS EDITION
December 18, 1958 Vol. 3. No. 50

Extends Best Wishes for a Happy Holiday Season and for a bright and prosperous New Year.

Box 120. Drayton Valley Alberta.



At this, the Birthday of our Lord, we of the staff of the Pembina News Advertiser take pleasure in wishing you all the joys of the season. So from all of us, to all of you..... A MERRY CHRISTMAS AND A HAPPY NEW YEAR. (The Staff): Art Playford, Editor and Publisher; Ellen Landers, Artist; Wally Mehn, Press Operator; Arnie Larkins, Typesetter; Edith Deby, Columnist; Bobby Anderson, Allan Disney, and Alvin Hopfe, Staplers.

THE MEANING OF CHRISTMAS.

"Who, being in the form of God, thought it not robbery to be equal with God" (Phil. 2:6) Philippians 2:1 to 11 deals with the coming of Christ and His relationship to the Father.

One of the first things we notice about Christmas is the name of Christ. It is a wonderful name. Isaiah had prophesied that His name would be called "Wonderful". There are certain names in all ages that are known throughout all the world, either for good or for evil. At the time Christ came the name of Caesar was well known. Today there are certain names which appear in almost every news paper around the world. They flash briefly across the firmament of Time, flicker out, and are gone. But the Name of Christ lives on, particularly in Christmas. WHAT, THEN, DOES CHRISTMAS MEAN?

CHRISTMAS MEANS A MANIFESTATION.

"Without dontroversy great is the mystery of godliness: God was manifest in the flesh...." (1 Tim. 3:16)

"And the Word was made flesh and dwelt among us" (Jo.1:14)

"God was in Christ....." (2 Cor. 5:19)

These and many other Scriptures, such as: "He that hath seen me hath seen the Father..." (Jo.14:9) and John 10:3: "I and my Father are one..." show us that when Christ came God came in the form of humanity.

We notice, too, that in Christ the silence of God was broken. There had been no word to the inspired prophets for some four hundred years. God had been silent..... But in Christ the silence of God was broken. God (and the heavenly host.) broke forth into full chorus. To a few startled shepherds on a Judean hillside the angel chorus sang..."Glory to God in the highest, and on earth peace, good will toward men...." (Luke 2:14)

CHRISTMAS MEANS A MANGER.

"And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger....." (Luke 2:7) What Christ was God is, throughout all time and to everybody.

The angel said to the shepherds: "For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger" (Luke 2:11)

The world, which thrust Him out at the last in hatred, on the point of a spear, received Him in coldness on a pallet of strew. In this stable were no decorations such as light our homes now... no perfumes, even, to hide the odors of the barnyard filth.

Jesus was born in poverty, born to the stainless Virgin. The Wise Men called Him "king", yet he had no armed retainers such as young princes have. He was armed only with his purity and innocence.

For one so high...such a lowly bed. He was born in obscurity in a cattle shed. He lived most of His life in obscurity, and at the end of His earthly life He died like a condemned Criminal.

CHRISTMAS MEANS A MARKING.

Jesus, unnoted by contemporary historians, influenced the date lines of all nations. Newspapers are printed, cheques are dated with the date that denotes His Advent..... Deeds are recorded, cornerstones are laid, documents and letters all bear this date. Cradled in a manger, this timeless Christ has christianized the calendars of the world. Born in a stable... yet the world uses His Advent as the very starting point of time.

After two thousand years his Birthdate is an eagerly anticipated and joyful event. The entire machinery of our modern world stands still as humanity pauses to rejoice that He was born. Some would say that He was not born at the exact date of our present Christmas, but the fact remains....He was born....and because He came to the arms of the Virgin in a Bethlehem stable, the world has been radically changed.

There is no phase of life from which His influence is excluded...we are married in His name....buried in His name,....The Timeless, Universal Christ has profoundly influenced the lives of all of us, whether we profess His Name or not.

CHRISTMAS MEANS A MEETING.

Heaven and earth met on that glorious night when God came down in human form. The shepherds served and the angels sang..."Gheepherders" in many places has been a name of opprobrium, but to these lowly herders of sheep came the messengers of God....."Unto you is born....."

Heaven and earth were united. Heaven bowed down and kissed the earth. God and man were now united..... "Shepherds abiding in the field..." "the angel of the Lord..." "a multitude of the heavenly host ...."

The angels went back to the abode of God and the shepherds went on to Bethlehem ...Heaven and earth were in touch with each other at the Birth of Christ.....

Heaven took the initiative...The candle did not reach forth to the sun; the sun stooped down to kiss the candle. The glow-worm did not reach up and touch the star: the star stooped down to touch the glow-worm.

Humanity did not seek God: God sought Humanity. "God so loved the world that he gave his only begotten Son." "He first loved us..." "Jesus came to seek and to save"

He put on our humanity that we might put on His divinity. He became the Son of Man that we might become the sons of God.

CHRISTMAS MEANS THE MESSIAH.

"Christ, being in the form of God, thought it not a prize to be gained to be equal with God" says one translator.

Christ, often despised by men, was always beloved of God..."This is my beloved Son in whom I am well pleased" Christ, hated by man, was worshipped by angels. There is no glory like the glory of the glorified Man who glorified God on earth. "....to whom God hath given a name that is above every name....."

Over His Cross at the Crucifixion they wrote in Greek, Latin and Hebrew..."Jesus, king..." Culture, Religion and Power united to deride Him.

But Greek, the language of culture, is dead; Hebrew, the language of religion, is dead; Latin, the language of power, is dead..... but Jesus LIVES.....

True, the pomp and pageantry and commercialism and revelry do not properly show forth His birth....but the very fact that we have CHRISTMAS means that we have Christ..... THE MESSIAH. The Meaning of Christmas is CHRIST.

AND THE ANGEL SAID..."BEHOLD I BRING YOU TIDINGS OF GREAT JOY WHICH SHALL BE TO ALL PEOPLE"

DRAYTON VALLEY UNITED CHURCH
(The Family Church for all Families)

"And the Word was made flesh, and dwelt among us....."(John 1:14) John refers to Christ as the "Word", which they beheld, and who lived among them.

At Christmas time what do you look for? Do you look for only a Babe; for shepherds, a manger, or an angel choir? These were but heralds, telling the world that a Saviour had come.

That Saviour lives today. We remember His earthly Advent at this time.....He stands as Saviour and King.

CHRISTMAS BEGINS WITH CHRIST

IT ENDS- FOR SOME-

IN OVERINDULGENCE AND INTEMPERANCE.

Let us remember at this time the real meaning of Christmas

DRAYTON VALLEY HIGHLIGHTS. (cont.)

A wedding of interest to many in Drayton Valley will be solemnized in Chown Memorial Church, Vancouver, on Dec. 27, when Bruce Free, only son of Mr and Mrs Claude Free, of Drayton Valley and Miss Rose Marie Allen, of Vancouver, are united in matrimony. Miss Edna Free, sister of the groom, will be one of the bride's attendants.

.....

The Drayton Valley Women's Institute met at Mrs Moore's home on December 15 for it regular monthly meeting and Christmas party. Two new members, Mrs Welden and Mrs Christoffersen were made welcome.
It was desided not to have a children's party this year and donate the money usually spent in this way to the Rotary Club's Christmas Hamper Fund.
Mrs Christoffersen, Mrs Welden and Mrs Moore wer elected to the Relief Committee. After the business part of the meeting was finished members sang carols and exchanged gifts. Mrs Krause was hostess.

The January meeting will be held in Mrs Krause's home on the 18th, beginning at 8 p.m.

.....

Barbara Plotts, Kathleen Glass and Andrew Brooks are among the young people expected home for the holiday. All are pre-med. students at the University of Alberta.

.....

Mr and Mrs Armand Boutin (nee Hazel Hagerty) have recently become parents. Their Christmas cards are proudly signed Hazel,Armand and Baby Imile.

.....

Mrs William Stewart and Mrs Leslie Herndon leave on Tuesday for Ladder, B.C. to spend the Christmas holiday with Mr and Mrs Ronald Stewart and Linda.

.....

Mr and Mrs Arthur Jorgesen and Jens will spend part of Christmas holidays in Drayton Valley.

.....

The Square Dance Club will dance in the Community Hall on Saturday evening. Many of the members now have their Knot Head badges.

.....

With this issue the P.N.A. closes down for two weeks to give the editor a well deserved holiday. Mr Playford will spend Christmas in Great Falls, Montana. On December 26 he will catch the flight out of Vancouver and leave that city at midnight for Honolulu for a seven days stay in the Islands. Mrs Playford is doing missionary work there.

Have a fine time, Art, and give a thought to us at home blowing on frozen fingers!

.....

Drayton Valley's Notarians have done an outstanding job of decorating the Hospital for the Season.

SHOTS FIRED THROUGH BUILDING.

During the last month considerable danage has been done to the building of the Drayton Valley Elks Gun Club. This has been mainly caused by bullets fired through the windows and walls of the building. This is not only costly to the club, but,of more importance it is very dangerous. The persons firing the shots may not be aware that someone may be in the building at the time and be killed.

We therefore ask that whoever may be doing this shooting refrain from the practice of shooting through the building and warn that anyone caught at this dangerous practice will be severely dealt with.

SEASON'S FIRST BONSPIEL HELD IN DRAYTON VALLEY

Grand Challenge Winner, 1st., was Johnny Ward Rink, with George Jenkins Rink winning 2nd. Second Event was won by Paul Reglin, with Howie Hanson taking second place.

GAS NEWSLETTER

NEWS AND VIEWS FROM YOUR GAS COMPANY

Northwestern Utilities, Limited

from all of us in the gas company to all of you . . .

our Best Wishes for the Holiday Season

snow or shine . . .

THE DRYING'S FINE!

Can you imagine the homemaker in your family saying to her-self, 'Look, it's snowing out today. I think this would be a good time to do the laundry.'

And yet that's exactly what happens when you own a GAS DRYER.

You don't have to make your washday plans suit the weather. Snow or shine, the drying's fine. Clothes dry fast, clean and sunny-fresh.

Just a tip, though - only a GAS Dryer will give you the speed of drying needed to keep up to your washer. And only a GAS Dryer will give you such year-in, year-out dependability . . . plus such low cost (as little as 75c a month for most families).

Why not give a Gas Dryer to your family this Christmas. It's a gift that keeps on giving!

Elizabeth Rae Gaetz

NEW HOME SERVICE DIRECTOR

Northwestern Utilities, Limited announces the appointment of Elizabeth Rae Gaetz as Home Service Director at Edmonton.

Miss Gaetz is from Provost, Alberta. She is a graduate in hoflow economics from the University of British Columbia, and brings to the gas company's Home Service Department a wealth of valuable experience, having been associated with dietetics and food preparation supervision at the Saskatoon City Hospital, the University of Washington and Montana State University.

MAKE THIS A BRIGHT CHRISTMAS!

Decorative ideas for the home . . . the Christmas Tree . . . the parcels you wrap for your friends.

For your home

YULE LOGS

To make cheerfully-burning yule logs for your open fireplace you need: 4 lbs. coarse salt; 1 cup washing soda; 2 gals. water; 2 lbs. bluestone (ground if obtainable); 2 lbs. sulphate of iron.

Dissolve bluestone in 1 qt. hot water in a 4 gal. crock. Put a small amount of soda in at a time, as it causes foaming. Roll magazines loosely and tie at both ends. Stand magazines on end in solution for 1 week, then turn to other end for another week. Remove magazines and let dry.

Other chemicals you can use for various colored flames: Barium Nitrate (Blue); Strontium Nitrate (Red); Lithium Chloride (Purple); Copper Chloride (Green); Calcium Chloride (Orange).

ANGELIC CENTREPIECE

Delight the children with a procession of these little charmers! Skirt is made from a handful of colored cellophane straws, held firmly at the top by a rubber band. Head is a white cellulold ball, with features lightly inked on. Hair is a snippit of curly gold pot-cleaner. Cut out arms, song-book and collar from writing paper. Paste sheets of gold foil paper back to back and cut to shape of wings. A straightened bobby pin pierced through the back of the head will hold it securely to the rubber band around the plastic straws.

For your Tree

GLAMORIZED TREE TRIMS

Foil plates from pies and cakes are easily transformed into glittering ornaments for your Christmas Tree.

For example, try this one: Trim the edge from a foil plate, so that you have a circle of silver foil. To the centre, glue a circle of gold paper, and glue three iridescent bells to this. Staple curtain fringe around the edge of your Christmas Tree decoration.

For your parcels

SLEIGHRIDE PACKAGE

Wrap your package in striped paper. Tie 2 lengths ribbon around box. Into each tying, fasten a Fan-shaped Bow. Cut 2 sleigh patterns from gold metallic paper which has been reinforced with rug board or light weight cardboard. Paste one to either side of package. Stick a large Santa Claus seal to either side of "sleigh". Paste two angel tags together and stick to top of package.

WHITE COLLAR WRAP

For wrapping, cut double thickness of white tissue paper, allowing 3½" extra for over-lapping in front. Now cut a strip of tissue 3 times as wide as the collar will be and long enough to fit around the box. Fold strip in half length-wise, then fold open edges over, half the width again. Paste around box for collar. Tie. Cut strip from brightest wrapping paper. Fold in end to a point. Gather other end and paste a strip of same paper around it for tie knot. Paste beneath centre of collar. The Clasp. Chain Cut 1" wide strips of gold metallic paper. Paste one to form a tiny ring, then form another ring through the first and so on until the chain is long enough. Paste either end beneath tie.

Make this the Merriest WHITE *Christmas ever-*

ONLY GAS combines automatic top burner lighting, automatic oven and broiler lighting, automatic timing and top-burner temperature controls with amazing speed and flexibility. This means automatic cooking that's easier, quicker . . . true cooking automation.

BOX 120 DRAYTON VALLEY ALBERTA

January 8. 1959 Vol. 4. No. 1. A.Playford, Publisher.

NEW YEAR'S MESSAGE FROM YOUR M.L.A.
BY: J. Harold McLaughlin.

AGRICULTURAL SITUATION AND OUTLOOK: 1958 was again a year of very spotty rainfall in this district with some areas getting enough local showers to produce excellent crops while others verged on failure from drought or hail.

The marketing situation for grain appears to be better than a year ago with forecasts of unrestricted deliveries by the end of the present crop year.

However, farmers in general are still faced with a very adverse economic situation due to ever increasing costs which tend to outstrip returns except in the case of cattle which have held up very well in price largely because of heavy export movements to the United States.

On several occasions before we have expressed the opinion that the long term outlook for agriculture is good with everyincreasing consumption coupled with decreasing numbers of people on the land, but it is to be hoped that the necessary economic adjustments required to give our farmers a fair share of the national income will not be too long delayed.

BUSINESS AND INDUSTRY: As in 1957 business largely dependent on farm trade has been adversely affected, but fortunately the outlook in the local oil fields is somewhat brighter than it was a year ago. While exploration and development in connection with oil has levelled off there has been much activity in the gathering, processing, and transportation of natural gas in the Pembina field. Drayton Valley as the administrative and supply centre for this great field has benefitted accordingly.

Another big step in local industrial development was marked by the installation of a second unit whixh will double the power output of Calgary Power's big steam plant at Wabamun.

Govt. Projects in Stony Plain Constituency: It now seems that this area is getting it's fair share of Provincial public works expenditures in the form of highways, bridges and public institutions.

Work has already commenced on re-building of the Duffield-Seba stretch of Highway 16. The Minister of Highways has announced publicly that hard surfacing of Highway 57 will start next year, and that four-laning of the Jasper Highway will be extended west from Winterburn

(cont'd next column)

Mr. Taylor also indicated that plans for a high-level bridge between Entwistle and Evansburg are well advanced and that preliminary work would start next year.

The Ministers of Welfare and Health have announced that both a Senior Citizens' Home and a new hospital are slated for this area, and other Provincial Govt. projects are planned.

THE POLITICAL SCENE: 1958 was marked by many significant political developments, highlighted by the Tory landslide in the federal field. How far this will carry over into the provincial field is anyone's guess; but it has at least resulted in the election of a Provincial Conservative Leader and the announced intention of the party to run candidates in all provincial ridings.

It was a year of big developments for the Liberal Party, too, with the resignation of former leader, Harper Prowse, and the election of Grant MacEwan as head of the party in Alberta, and Leader of Her Majesty's Loyal Opposition in the Legislature.

The Social Credit Government appears to be preparing for an election in the coming year with Premier Manning's announcement of his "Five-Year Plan", which promises many things for the people of this province but takes away their "Oil Dividend", which used up some $21 million in public funds in the two years it was given out.

LEGISLATION IN 1958 AND OUTLOOK FOR 1959: The 1958 Session was rather uneventful with only a few major items of new legislation including the new liquor acts implementing the results of last year's plebiscite.

Speaking of plebiscites, the farmers were granted a new egg marketing referendum, but under existing regulations it was killed by the negative vote of those producers who failed to exercise their franchise.

Another piece of legislation having a wide impact was the suspension of the Municipal Finance Corporation which forced the municipalities to go on the open money market to do their financing. It is assumed that the 1959 Session of the Legislature will be asked to authorize still another reversal in policy by re-activating the M.F.C. as announced in the "Five-Year Program".

It is fairly safe to forecast that a major portion of the legislation to be considered by

(continued inside)
